50th Anniversary Tour to Cape Town

Dear Froster,

Next year sees the 50th anniversary of Jack Frost XI. In 1961, our President and Founder, Tony Gill, set up a wandering cricket club with the objectives to play attractive cricket, upholding the spirit of the game and to endeavour to extend the cricket seasons at both ends.

Since the beginnings of the Club, Jack Frost XI has toured overseas on numerous occasions visiting destinations from San Francisco to Sydney, Spain to Sarasota.

We are delighted to announce that to celebrate this momentous occasion Jack Frost XI will be going on Tour to Cape Town, South Africa in February and March 2011.

The Destination

Set between the sparkling waters of the Atlantic Ocean and the craggy heights of Table Mountain, Cape Town is one of the most beautiful cities in the world.

It is the home to white sand beaches, world class golf courses, five star restaurants and stunning winelands. The Victoria and Albert Waterfront offers a vibrant and exciting nightlife, whilst trips to Robben Island where Nelson Mandela was incarcerated, give an insight into South Africa's troubled past. Frosters can enjoy walks on Table Mountain, and spot wildlife on route to the Cape of Good Hope. On the Indian Ocean side where the waters are warm, whale sightings and penguin colonies are commonplace.

Both beautiful and fascinating, Cape Town has something to offer every Froster.

The Itinerary

We have decided that the tour duration is to be one week so it will be possible to leave after work on Friday the 25th February and be back in the office on Monday 7th March.
